NOTE FOR: Director of Central Intelligence

Bill:

1. Your schedule shows luncheon with Secretary McLucas on Monday, 12 August. You asked that you be reminded to thank him for his agreeableness in consenting to have the Air Force provide that transportation from here to [] currently performed by []

2. The Air Force has been most responsive and the discussions are proceeding well. We as yet do not have all facts pertaining to several options available to predict a firm conclusion of the outcome.
